✓ The Fall of Sean "P. Diddy" Combs and Criminal Charges
✓ Assassination Attempts on Donald Trump (Prophesied Before They Occurred)

Every prophecy I have declared has come to pass. Now I declare what the Lord has shown me for 2026 and beyond. These words are spoken on February 19, 2026. Watch and see as these prophecies manifest.

PROPHECY 1: SEX SCANDAL IN BRITISH POLITICS - KEIR STARMER FALLS

A major sex scandal will emerge in British politics involving high-level officials. Prime Minister Keir Starmer will be forced to step down very soon. This will happen suddenly and unexpectedly. After his removal, a new election will be called in the United Kingdom. The government will be in crisis. Watch for this to unfold rapidly.

PROPHECY 2: MAJOR FLOODING COMING TO LONDON

A massive flood is coming to London, England. The city will experience unprecedented flooding that will cause widespread destruction and disruption. This is not a minor flood; this will be major infrastructure damage. The Thames will overflow. Parts of central London will be underwater. This is coming soon.

PROPHECY 3: CUBA WILL FALL JUST LIKE VENEZUELA

Cuba is next. Just as Venezuela has fallen into complete economic and political collapse, Cuba will experience the same fate. The Cuban regime will crumble. Massive changes are coming to both Cuba and Venezuela. The United States will invest heavily in both nations after their governments fall. American influence and American dollars will flood into Cuba and Venezuela for rebuilding. A new era is coming for the Caribbean.

PROPHECY 4: JAY-Z IS NEXT ON THE LIST TO FALL

Jay-Z is next. Just as P. Diddy fell with criminal charges and public exposure, Jay-Z is next on the list. The same forces that brought down Diddy are coming for Jay-Z. He will face serious legal trouble and public scandal. This is not random, these people were selected to be in the positions they are in, and now they are being removed.

PROPHECY 5: OPRAH WINFREY WILL FALL

Oprah Winfrey is next on the list to fall just like P. Diddy and Jay-Z. The same pattern of exposure is coming. What the public sees is not what is there. Hidden things will be revealed. Oprah's image will be shattered. Legal trouble is coming for her. She will face imprisonment. The truth about her connections and activities will shock the world.

PROPHECY 6: BEYONCÉ WILL DIVORCE JAY-Z

Look out for Queen Bey to divorce Jay-Z. The marriage will not survive what is coming. As Jay-Z faces legal and public exposure, Beyoncé will distance herself and file for divorce. The world's most famous couple will separate. This will be one of the most talked-about divorces in entertainment history. Not what you see is what is there, the marriage has been troubled for a long time, and it will finally end publicly.

PROPHECY 7: NORTH KOREA LEADER KIM JONG UN IS SICK AND WILL DIE

North Korea's leader Kim Jong Un is sick right now and will pass away soon. His death is coming. When he dies, his sister and his daughter will take over leadership together. These are evil women, more evil than Kim Jong Un himself. They will create even more problems than what Kim Jong Un created. They will be more aggressive, more unstable, and more dangerous.

PROPHECY 8: NORTH KOREA WILL HAVE MAJOR PROBLEMS WITH CHINA AND SOUTH KOREA

Under the leadership of Kim Jong Un's sister and daughter, North Korea will have serious problems with China and South Korea. The relationship with China will deteriorate. Border conflicts will emerge. South Korea will be threatened with military action. The region will become more dangerous and unstable than it has been in decades. These women leading North Korea will provoke conflicts that Kim Jong Un avoided.

PROPHECY 9: ALIEN UFO DECLASSIFICATION IS COMING

The alien UFO declassification is coming up in 2026. President Donald Trump will sign off on the declassification of alien sightings and UFO encounters that the government has hidden for decades. Documents will be released. The public will finally see proof of extraterrestrial contact and unidentified aerial phenomena. This will be a massive cultural moment. The truth about aliens will finally be revealed to the world.

PROPHECY 10: MEGA STORMS WILL DESTROY THE CARIBBEAN AND PARTS OF AMERICA

Mega storms are coming in 2026. These will be the most powerful storms in modern history. They will destroy the Caribbean islands first, causing catastrophic damage throughout the region. Then these mega storms will come to America and destroy parts of the United States. Coastal areas will be devastated. Infrastructure will be destroyed. These are not normal hurricanes; these are mega storms of unprecedented power.

PROPHECY 11: RECORD-BREAKING HEATWAVE IN 2026

We will experience a record-breaking heatwave in 2026. The temperatures will shatter all previous records. This will be the hottest year ever recorded. The heat will be dangerous and deadly in many regions. This is not normal climate variation; this is extreme heat that will cause widespread problems.

PROPHECY 12: WINTER WILL CLOSE EARLY AND SUMMER WILL COME EARLY IN 2026

Winter will end early this year. The cold season will be shorter than normal. Summer will arrive early in 2026. Spring will be brief. The warm weather

will come sooner than expected, and the heat will persist longer. The seasons are shifting.

PROPHECY 13: AFRICA IS NEXT AFTER IRAN

Africa is next on the list for major geopolitical moves after Iran. The French President and the United States President will make bold moves in Africa together. There will be military action, economic intervention, and political change across multiple African nations. Western powers will assert themselves aggressively on the African continent. Major conflicts are coming to Africa in 2026 and beyond.

PROPHECY 14: HUGE PLANE CRASH WITH WORLD LEADER ON BOARD

A huge plane crash is coming involving a major world leader. A head of state or high-ranking government official will die in an airplane accident. This will be international news. The world will mourn. The crash will have political consequences for that nation and the broader geopolitical landscape. Watch for this tragic event.

PROPHECY 15: ZELENSKY MUST LEAVE UKRAINE FOR THE WAR TO END

The war in Ukraine will not end until Volodymyr Zelensky leaves power. He must go. He must leave Ukraine. As long as Zelensky remains President, the war will continue, as long as he remains in Ukraine. But in 2026, Zelensky will be forced out or will voluntarily leave. When he is gone, the war will finally come to an end. Peace cannot come while he remains.

PROPHECY 16: ANOTHER ASSASSINATION ATTEMPT ON BURKINA FASO LEADER

There will be another assassination attempt on the President of Burkina Faso, Ibrahim Traoré, in 2026. He has survived previous attempts, but another one is coming. Forces opposed to his leadership will try again to kill him. He must be protected. This attempt will be serious and dangerous.

PROPHECY 17: GLOBAL CYBER ATTACK IN 2026

We will experience a massive global cyber-attack in 2026. This will not be a small hack or data breach. This will be a coordinated attack on critical

infrastructure, financial systems, and government networks across multiple countries simultaneously. The internet and digital systems will be severely disrupted. Banking, communications, and government services will be affected. This cyber-attack will cause chaos and will be an act of war by a hostile nation or entity.

PROPHECY 18: COURT CASE COMING FOR THE CLINTON FAMILY

A major court case is coming for the Clinton family. Legal proceedings will be initiated against Bill Clinton, Hillary Clinton, or both. This will involve serious criminal charges. Evidence that has been hidden or suppressed will finally come to light. The Clintons will face legal accountability in a very public way. This case will dominate news cycles and will have political ramifications.

PROPHECY 19: MYSTERIOUS SICKNESS COMING SOON - BIO-LAB CREATED PLAGUE

A mysterious sickness is coming soon that will cause major problems around the world. This illness was created in a bio-lab, it is not natural. It will be a dangerous plague, very dangerous. More deadly than COVID-19. It will spread rapidly and will cause significant casualties. Governments and health organizations will struggle to contain it. This is a man-made biological weapon or accident that will be released, intentionally or unintentionally. The world must prepare for this plague.

PROPHECY 20: BITCOIN WILL GO BELOW $50,000 and before it pumps and go back up.
